**Real time traffic updates - Download the WAZE mobile app.**

## SOCIAL MEDIA MUSTS

- Listings are FREE
- People WILL use it to find you (*or not*)
- Locals & travelers use this info to make decisions:
  - What options are close to my current location?
  - What's open right now?
- Is the information correct? Is it up-to-date?

### EVERYONE uses GOOGLE

- Have you claimed your business info?
- Is your information on Google correct?
- Do you edit it when things change?
- Are you using Google Business Posts to improve how your business looks in search results?

## MONITOR YOUR REVIEWS

ALL of these listings allow customers to review your business – that can work for you or against you  
Are you responding to your customer reviews? If not, you're missing an opportunity!

Good Reviews:

Thank them!! Show your appreciation.

Bad Reviews:

Stay Positive!

Don't FEED the TROLLS – take them offline instead.

Your responses to bad reviews are NOT for the reviewer...they're to show others that you are responsive to complaints and willing to make things right if possible. This can help mitigate the bad review's effects.
