When making these donations, please send an email to Growing Green at [growinggreen247@gmail.com](mailto:growinggreen247@gmail.com), including the name of the individual as you would like it to appear on the Memorial Stone.

A Native Flowering Tree will be dedicated to this individual, with a Memorial Stone including their name in front of each individual tree. A Solar Powered light will be used to illuminate the Stone and Tree, and a walking path will follow Memory Lane as a reminder of those we've cherished.
