

# Advantage Manufacturing LLC

## Machinist Position

We are a state-of-the-art machine shop located in Martinsville, IN. We utilized high speed laser-cutting equipment, robotic bending equipment, and CNC machines. (Bystronic / DMG-Mori / Hurco)

Required:

- This will be an entry level or class C machinist position.
- Responsible for operating machining tools to produce precision metal and plastic parts that meet precise specification, by setting up and operating a wide variety of machine tool equipment.
- We will provide onsite training to get you started as needed.
- There will also be training classes provided by the equipment manufacturers. These will be off site training courses expenses paid
  - Note that there will be a 4-year minimum commitment for the paid manufacturer's training

We are located at 30 Robb Hill Rd. in Martinsville, 21 minutes south of 465 off SR 67.

*If interested in this position, please send a cover letter and your resume to Gary at [gary@advmfllc.com](mailto:gary@advmfllc.com).*
